

**A new Showroom to discover Aldes ME !**

**Aldes Middle East has a new Showroom !**

It aims to present you all our activities :

- FIRE PROTECTION**
- VENTILATION**
- AIR DIFFUSION**
- AIR DISTRIBUTION & REGULATION**
- SOUND ATTENUATION**
- CENTRALIZED VACUUM CLEANING**

**Come to visit us!**

You will be able to witness our level of quality and our expertise.  
You will get to know our products, from the production stage in our factory to their installation, operation and use.

**Participate in our Training Sessions**

Aldes will be offering technical trainings from September 2010. If you wish to know more about ventilation needs, fire protection systems and regulation, air diffusion best practices,... please contact us to have more details and to plan your visit!
